Overview

Edmentum has more than 50 years of experience driving significant advances in the industry and offers a wide variety of innovative solutions spanning a multitude of program areas to empower 21st-century teaching and learning. All Edmentum products are research-based and multiple case studies and efficacy reports have been conducted supporting the effectiveness of the Programs.

EdOptions Academy uses our Plato Courseware courses, which are built with rigorous instructional design standards targeted specifically at online Environments.

EdOptions Academy gives you the assurance of accreditation by the AdvancED Commission (NCA) as a distance education school. This nationally recognized accreditation is the same accreditation granted to traditional schools. That means that the Academy has met AdvancED's rigorous and comprehensive standards for student learning with continuous improvement focused on higher student achievement. The Academy curriculum consists of online courses whose effectiveness has been proven over time.

This provider uses the following third-party content providers:

None

Drop Policy

A student who withdraws after the 14 calendar day grace period can re-enter the course at the point where he or she left off if the request for re-enrollment happens within 30 days of withdrawal. All requests for re-enrollment after 30 days will require the student to start the course from the beginning. All withdrawals after the 14 calendar day grace period will be shown as 'Withdraw Fail' and the school will be charged the full price of the course.
