HOOSIERS ENGAGED IN PROCESS

To inform our efforts on Indiana GPS to date, IDOE conducted (and will continue to conduct) extensive stakeholder outreach and engagement to seek feedback. These stakeholders represent:

- educators
- community organizations
- other state agencies
- colleges and universities
- philanthropy
- parents
- advocacy groups
- business and industry
- the Indiana General Assembly
- policy experts

INDIANA GPS PREVIEW

- **Indiana GPS "Scrollytelling" Landing Page**
  - Introduces user to Indiana GPS by providing a level set that begins to tell the data story and *why* each indicator matters

- **State Infographic Page**
  - Displays the contextual statistics from the scrollytelling experience along with state benchmarks and goals

- **Corporation and School Landing Pages**
  - Displays corporation and school performance in headline indicators along with their progress toward meeting benchmarks

MAJOR THEMES IN STAKEHOLDER FEEDBACK

- Tell the **data story**, emphasizing ***why*** the data is important, in addition to the raw numbers.
- Set **goals** and **targets** that K-12 can works towards collectively.
- Use **gauges** and **trajectory arrows** so the user can easily understand trends.
- Prominently display **longitudinal data** by **student population.**
- Maintain **demographic** and **achievement** data on the same page.

Next Steps

TIMELINE & NEXT STEPS

- IDOE will continue to collaborate with stakeholders to **bring together pertinent data** and develop **additional approved indicators**.
- **Tools** and **resources** will be developed to support schools and families in the launch of Indiana GPS.
- Schools will receive a password-protected link for **a preview** prior to full launch.
- **Launch** coming Fall 2022
  - All local data, including **longitudinal** and **disaggregated data**
  - Future interactions forthcoming

The development of this dashboard is an iterative process and will continue to be improved over time.

THANK YOU!
